

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: "No Parking" on Century Boulevard West of Ham Lane, 195 Feet on South Side

MEETING DATE: August 6, 1997

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution approving the installation of a no-parking zone on the south side of Century Boulevard, from 195 feet west of Ham Lane to Ham Lane.

BACKGROUND INFORMATION: At the July 2, 1997 Council meeting, staff informed Council that as part of the Century Boulevard overlay and bicycle lane project between Ham Lane and Church Street, the bicycle lanes will be extended west of Ham Lane to Mills Avenue. With the bicycle lane extension, minor striping revisions are needed west of Ham Lane at the intersection. The majority of the striping will remain with the addition of the bicycle lanes. At the Century Boulevard and Ham Lane intersection, City Council approved a no-parking zone to accommodate a separate westbound right-turn lane. Similarly, in order to accommodate the high right-turn volumes eastbound at Ham Lane, it is necessary to install a 195-foot no-parking zone west of Ham Lane (as shown in Exhibit A).

The Century Boulevard bicycle lane project will begin creating a network for Lodi bicyclists. Another bicycle lane project that will be constructed this summer is on Hutchins Street, from Harney Lane to Kettleman Lane.

RECOMMENDATION: Staff recommends City Council approve a 195-foot no-parking zone on the south side of Century Boulevard west of Ham Lane.

FUNDING: Funding for the installation of two no-parking signs from the Street Maintenance Account at an approximate cost of \$350.
